Introduction: why a paid pass?

The Paperless Lab Academy® set the stage for discussions on strategies and implementation of 21st century technologies in the laboratory. It is about discussing key milestones to generate solid business insights from the laboratory, connecting with colleagues who share similar operational issues, learning about user's case studies and how they are deployed into their processes, discovering the informatics trends from cutting-edge thought leaders, being in the know about the last informatics tools and methodologies in a creative and productive atmosphere.

The Paperless Lab Academy® congress editions are entirely supported by its sponsors. As such free entry is facilitated only to the persons working at companies owning a laboratory and potential buyers for our sponsors.

Consultants and representatives of solution providers that are not sponsoring #PLA2020India (“delegate”), are offered a paid entry pass to benefit of content-rich presentations and interactions with attendees and vendors.

Definition

Delegate – The consultant or representative of a solution provider not sponsoring the congress and interested to join who pays the entry fee

NL42 – NL42 Business Management Consulting S.L. is the company owning the rights of the Paperless Lab Academy® and organizing the congress

#PLA2020India paid pass process

1. The delegate submits the required information through the Request Form
 2. A confirmation message is sent to the delegate's email address that the purchase request has been successfully submitted. It includes a pdf copy of the submitted request of registration.
 3. A proforma Invoice is sent to the delegate's email address within 2 working days. It includes payment information.
 4. Payment can be done via:
 - Bank Transfer
 - Credit Card*
 - PayPal*
- *Note that same information facilitated in this form should be provided in online payment system
5. Once payment is received, a mail is sent to the delegate's email address including:
 - Confirmation message of the registration to the event
 - Access to the Event App at the moment of its launch

Payment Terms

Payment is upon proforma invoice reception

No access to the event will be permitted until NL42 has received 100% of the payment

Conditions while Attending the Event

The event provides access to multiple information and a great networking opportunity, which is valuable for consultants and solution providers. The pass gives access to all the sessions of the event.

Note that access to the sponsored workshops is upon discretion of the corresponding hosting company.

This pass does not allow distribution, display, and demonstrations of products, technologies, and services, or company materials of any kind.

Respectful behaviour and business casual dressing (in case of camera option offered) are expected.

NL42 retains the right to refuse any registration if it believes the company and its representatives can cause prejudice to its sponsors or damage its image or its initiatives.

NL42 retains the right to manage the messages (delete, block or even refuse access to the event app) if it finds messages sent by the delegate unacceptable or inappropriate. In any case the fee will not be returned.
